I only plan to use the trolley route that you gave me.

Hi Lorena -

Question on the trolley route this year - we will have a vessel at B46, but it will not be open to the public and tours there will be few and on a schedule. Additionally, we will not be parking our guests out that way. However, the Lane Victory is open and there will be some crew aboard the vessel at B46. So the question is - do you want to still run the trolley out that way? My instinct is no, the benefits are few. We were thinking that the sailors could walk up to 22nd Street and catch the trolley there - what do you think??

Thanks!

~Theresa
